Drainage works at Meigh Road Playing Fields

Carried out on behalf of Werrington Parish Council

Dear Resident,

SG Group will be carrying out drainage works at Meigh Road Playing Fields on behalf of Werrington Parish Council. The works are to combat the water pooling and flooding on and around the multi use games area (MUGA).

We will be replacing the existing blocked drain along the MUGA with a new drainage channel and four manholes, connected to the existing land drain in the corner of the coppice.

Works will start on **Monday 2nd November 2026** and are expected to take five working days, finishing on **Friday 6th November 2026**.

Please note, the dates and times of the works are weather dependent. If there are any changes, an update will be posted by Werrington Parish Council.

WORKERS ON SITE	NOISY WORKS
7:00am to 5:00pm, Monday to Friday	**No loud works before 8:00am**

What you can expect to see

- A welfare unit and a small number of parking spaces in use in the Meigh Road car park
- A skip beside the MUGA for removing the old drain and excavated soil
- Heras fencing around the MUGA and the working area. The MUGA will be closed during the works, but the rest of the park stays open
- Small plant such as a mini digger and dumper, with a banksman guiding all vehicle movements
- Deliveries of materials through the car park, and some noise from digging and cutting the path edge

Keeping everyone safe

Please keep children and pets away from the fenced area and follow any signs or diversions on the paths. The site will be left clean, tidy and secure at the end of each day.

Questions or concerns? Please get in touch

Phone: 0800 073 0831 **Email:** info@sg-group.co.uk

We are happy to talk through the works or any access needs you may have, before or during the works.

Thank you for your patience while we carry out these works.

Yours faithfully,
SG Group
